

The *Falcon* Quarterly

Illustration taken from 1963 sales publication of the Ford Motor Company

April 1994

THE FALCON CLUB OF AMERICA, INC. is a nonprofit organization dedicated to preserving the FALCON automobile built by the Ford Motor Company from 1960 to 1970. Roy E. Sword (501/982-4240) founded the worldwide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to The Falcon Club of America are \$20.00 (\$25.00, payable in U.S. funds, outside the United States) and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72078-0113.

THE FALCON QUARTERLY BULLETIN is published quarterly with information from its members. All copy for The Falcon Quarterly should be sent to the editor, Kathy Lerner, 2721 Gilboa Ave., Zion, IL 60099-2421. Copy must be received by the first of the month preceding date of issue.

Lower Mainland Falcon Owners Assoc., 13868 90th Ave., Surrey, BC, Canada V3V6L1.
Northern California Falcon Group, 6501 Halifax St., Citrus Heights, CA 95621.

President's Message

Another month has flown by, and if I don't get a message to the editor, she'll be calling to see if I'm still alive.

We have lots of things starting to happen now that the weather is getting nicer. It's been a good winter here in Kansas, weatherwise, but I don't like winter. It needs to be 70° or warmer so we can have fun with our Falcons year 'round.

There are some new Falcons being built across the country, and it will be fun seeing them. Don and Jason Anderson are working on Roy Sword's old '67 Sport Coupe. It sounds like it is going to be a super car, but Don has his doubts because it has Magnum 500s and a built engine that will probably run circles around Don's car.

Don't forget the regionals in California and Florida coming up soon. You will see some super nice cars and meet a lot of nice folks at events like these.

Take care,
Jim Hatcher, FCA President

1964-1965 Special Ranchero Roster

Due to several unexpected happenings last year, I was not able to continue the 1964-1965 Ranchero special model roster. My apologies to those who responded, and a big "Thank you!" for your patience.

I am attempting to compile a list of all 1964-1965 66-H models with all data plate information plus any 1965 models with the "A" code 289 4V engine. I'm also including any of the rare 66-G code models. Please indicate the type of exterior trim on all.

Send all information to Dave Jones, P.O. Box 565, Parachute, CO 81635 or phone 303/285-7397.

Thanks,
Dave

Vice President's Message

!@#)\$(%*^&%*\$(#)!_@#)\$%(^*;*^%\$#@&*().°‡>><°,—!!!

Today the temperature in Garland, Texas, is a horrible 80°. That's "wrenchin'" weather, friend! So I get off (read sneak) work a tad early to partake in this manly type of therapy and guess what. Kathy reminds me of the delinquent message for this month. The message goes something like your job is writing, not wrenchin'! Oh well!!!

There is a tremendous amount of concern over legislation concerning "clunkers," or all vehicles older than 1980. The concerns are all extremely valid and indirectly pointed toward everyone reading this. Each state has its own bill or method of eliminating our hobby for nothing more than credits from the Fed. The more the states can crush, the less they have to force industries to clean up the real problems. Legislators are bought and sold by industries! They are only paid by us. An unpleasant scenario, albeit true.

What can we do as a club to halt this farce, another hole in the ozone? Because each state uses a different approach to get your car, we have to address the problem state by state. You can write to state representatives voicing your concern and asking for copies of pending legislation concerning clunker bills. Write your governor and let him know we know he has been bought. Contact other clubs in the state and collectively generate a petition. Your state may have a car club council — find out and get in touch. They will be knowledgeable of all the tricks of which you will soon be the victim.

Send copies of legislation to me, and we will collect the information from all states and print it for all members to review. One thing is for certain, if we don't fight it now, in the near future it will cost you somewhere around \$500 per year to register that old Falcon.

Love ya all,
Marty

A great looking group of Falcons from the River City Chapter on their recent trip to "Gold Country."

Chapter News

Early this year the **River City Chapter** took a trip to "Gold Country." Some of the California towns visited were Dry Creek, Dry Town (pop. 59), Amador City (pop. 150), Sutter Creek (pop. 1500), Martel (pop. 200) and finally, Jackson. Here some Falcons stopped to browse in the antique shops before heading back home. The chapter is also getting ready to hold their 4th Annual Pacific Regional Meet.

The **Mid America Chapter** recently held a meeting at Cattleman's Bar-B-Q in Louisburg, KS. There were 29 present with four Falcons driven to the meeting. An All Ford Show is being planned for the spring or early summer. The date will be set later.

Pinky's Restaurant in Benton, AR, was the site of the monthly meeting of the **Founder's Chapter**. There were 23 present with nine Falcons driven. Plans are being finalized for the 5th annual car show at Dale Horn Ford in Malvern, AR, on April 16.

The **Carolinas Chapter** held its monthly meeting at Shoney's, University Place, NC, with 18 members present. Items discussed included the Florida Regionals and the Nationals.

The Palmetto Auto Show Vintage Wheels in Palmetto, FL, was the site of the monthly meeting of the **Suncoast Chapter**. Members were given a status report of the plans for the upcoming 4th Regional Show in Kissimmee, FL. Five AACA trophies were received by Dan McMahan, A. Zuccolillo, Bill Hauke, R. Hoeksema and Wanda Stowe. They also were at Lakeland for the Massive AACA in Marchant Stadium, where vendors and autos stretched out as far as the eye could see. Weather for both weekends was — blue skies, sunshine and 70°F!!!

A recent monthly meeting of the **Mile Hi Chapter** was held at O'Meara Ford Agency and had 30 in attendance. They ended 1993 with 70 families on the membership roster. To generate some excitement in getting dues paid early in the year, they hold a "free dues drawing" at their February meeting. This also enables them to draw up a roster earlier. Great idea! Maybe other chapters will want to copy this.

Calling All '66 Falcon Owners

Would you like to have your '66 featured on the T-shirts or awards plaques for the '96 FCA National Convention? The theme for this convention will be "The '66 Turns 30." So, if you own one, now is your chance. We want GOOD 35mm photographs of all 1966 models: Wagons, Rancheros, Sedans, Sport Coupes or Econolines.

Here is all you have to do to make it possible. Send a photo to Marty Martin, 2910 O'Henry Drive, Garland, TX 75042-4838.

Photographs must be in color and in focus — car alone, doors, trunk and hood closed. Angle must be a three-fourths view of the car, front or rear, passenger or driver's side. Three-fourths means the grill or trunk composes one-fourth of the photo, and the side of the car composes the other three-fourths. We cannot use a straight-on shot because it is impossible to pose two or more cars in this manner. The image of the car must be a minimum of 4" long for detail purposes. To accomplish this, just fill the viewfinder with the car and snap away. The more *good* pictures you send, the better your chances. The cars selected will be based on the quality of the photograph only, and none can be returned.

That's all you need to do. So find a good contrasting background and start shooting. Photographs will be accepted until April 15, 1994. Get them in the mail to me as early as possible.

Thanks,
Marty

Falcon Body Styles

Sedan, Hardtop, Convertible, Station Wagon, Ranchero, Sedan Delivery, Club Coupe, Sport Coupe, Extra Duty Wagon

The committee reserves the right to combine or divide classes, if necessary. It is our hope that all classes listed will have sufficient pre-registered entries, and that several classes will have to be split. A daily driver is a registered vehicle, driven to the show, and does not have antique or classic tags. Trophies will be awarded in each class, as well as for Ladies' Choice, Best of Show, Longest Distance and Oldest Falcon.

1994 National Convention T-Shirt Design

Valley Forge, PA

You're All Invited

It's April already, and the Fifteenth Annual National Falcon Convention is only three months away. The Keystone Chapter is all geared up to help you have a memorable experience.

Don't forget that June 15 is the deadline for the special pre-registration rates for car entries and swap spaces. Many thanks to the early birds who have already sent in their show applications. Early pre-registration helps us to plan the layout of the show area, and to determine whether classes need to be split or combined. We are hoping to have to split some classes, which means additional trophies will have to be ordered. Remember also that banquet seating is limited, and that reservations are on a first-come, first-served basis. The number of buses for each tour will be determined by the number of pre-registrations.

We will acknowledge all pre-registrations and plan to start mailing receipts on or about April 15. If there are any errors in your pre-registration, please notify Linda Wisser. Please fill out your application completely, and be sure to indicate whether your Falcon is to be entered in the stock, daily driver, modified, competition or masters class.

To guarantee the special show rate for the Stouffer Valley Forge Hotel, call the hotel or send in the hotel reservation form before June 27. If you want to phone, you must call the hotel in Valley Forge, and be sure to mention the Falcon Club. Unfortunately, the special rate is not available by calling the Stouffer toll-free number. After the June 27 deadline, the hotel will charge season rates which are somewhat higher. The hotel will honor the special club rate from July 18 through July 27 and will send out reservation confirmations.

Descriptions of the tours are included in this Bulletin, as well as a tentative schedule of events. Hope to see lots of Falcons and their owners in Valley Forge in July.

Ed Snyder, President
Keystone Chapter

In the Spotlight

1962 Falcon Fordor

When my parents were first married in 1971, Mom needed a car to commute to and from work. What they bought was a used 1962 Falcon Futura Tudor because the price was right and it ran. It was Mom's very first car.

When I was 15 years old, my dad came across a 1962 Falcon Fordor that he thought would make a great parts car for Mom's old one, but I knew it had a brighter future — and I didn't even have a driver's license yet. Most people thought it was just plain ugly and belonged in a junkyard, but to me it was beautiful. So the transmission didn't shift, the engine barely ran, the gas tank was rusted, the tires wouldn't hold air, the interior was in tatters, the windshield was cracked and leaked, the body was full of dents, and even I have to admit the flaking paint job was down right ugly! But it was my first car — Dad didn't know that yet, though.

Since Dad has a soft heart, I knew I could talk him into helping me restore this wreck. Together we made the engine purr, and the transmission now shifts beautifully. We took out the gas tank, put gravel and water in it and shook it for a while to loosen the rust before we coated the inside. Now that it ran good, it was time to work on the outside. It was the summer before my senior year in high school, and I had time and plenty of energy. Dad was too slow getting to the paint so I started without him. I called his office to ask a few questions, but ended up leaving them on his recorder. He must have panicked when he heard, "Hi, Dad, How do I get this dent out? Do I smack it with a little or big hammer, from the inside or outside? How does all that trim and chrome stuff come off, the bumpers, the grill? Oh well, guess I'll have to figure it out myself. Bye!"

(In the Spotlight continued)

With the chrome and trim out of the way, I sanded and filled old paint, and sanded and primed and sanded and primed; and when I had enough of that process, I found more small dents to sand and fill and sand and fill and sand (Mom thought I should buy stock in a sandpaper company). Finally, it was time to paint. With the first coat of sealer, the car was all one color again, and already looked wonderful sitting there in the garage. Next came the black finish coats, but before I could stand back to admire my handiwork, I almost had a heart attack. There, hovering just above the hood, was a bug the size of a dive bomber on its way to land on and wallow in the wet paint. I sucked in a deep breath and blew him away. I was worn out blowing bugs and stuff away by the time the paint was dry.

The interior I cut out on the living room floor, and my family got their daily exercise jumping over the bolts of material. We fixed the leaks in the tires and windshield, and by then the paint was dry enough to buff out (and buff and buff — *whew!*). It will probably go on my tombstone, "She sanded and she buffed."

And here it is in all its glory! I was so proud to be picked to display my car in the Towe Ford Museum in Sacramento along with other members of the RiverCity Chapter (they are the best support group around), and even prouder being chosen to represent the chapter in the FCA newsletter. It is also very sweet to hear the admiration from those who originally thought my car was ugly.

I am 18 years old and live in San Francisco where I am a ballet dancer, but I come home often to dust off my Fordor and take it out of Dad's garage for some fresh air.

I recently found a 1963 Sprint with manual four speed for Dad, and he really thinks that one's his. But we'll wait and see — I could look really good in that car, too!

Submitted by Iselin Austrheim-Smith

15th Annual National Falcon Convention

Schedule of Events (Tentative)

Thursday, July 21

- 9:00 am Check in & Registration
- 9:00 am Pennsylvania Dutch Country Tour
- 9:00 am Car Wash (free) by Tennis Court
- 6:00 pm Hot Pasta Party in Pool Area

Saturday, July 23

- 8:00 am Registration
- 8:30 am Car Wash (free) by Tennis Court
- 10:00 am Pick Up Ballots for Voting
Voting for Cars (until 1:00 pm)

(Thursday, Friday & Saturday)

Sunday, July 24

Departure

Tours

Pennsylvania Dutch Country — Thursday, July 21, 9:00 am to 4:00 pm

Journey back in time to see how the Amish live in the 20th century. Here you will visit a farm and house, drive through the farmlands, and see the Amish on their way to market. Lunch is included at one of the restaurants that is noted for its Pennsylvania Dutch foods. Time for shopping at a Farmers' Market at Bird-in-Hand.

Historic Philadelphia Tour — Friday, July 22, 8:30 am to 12:30 pm

No visit to the area is complete without touching the Liberty Bell. See where the Declaration of Independence was signed, the meeting place of the First Continental Congress, Franklin's Court, Elfreth's Alley (oldest continuously inhabited street in the country), Christ Church, and Betsy Ross' House.

First-come, first-served on all tours. The Keystone Chapter reserves the right to cancel any tour in the event of insufficient registration. Pre-registrations received will determine tours booked.

For tour questions, contact Bruce Wolfe, R.D. #1, Box 7940, Grantville, PA, 17028 — 717/469-7252.

Tissue Issue — When cleaning instrument gauge lenses, most of us use a window cleaner and a rag. The use of these materials results in scratched plastic lenses, obscuring your instruments. Instead, use a soft eyeglass tissue, which is available at most drug stores. Use this tissue in conjunction with the cleaning solution available for plastic eyeglass lenses, and your instrument lenses will clean up without scratching.

Classified Ads

Cars for Sale

1960 Falcon 2-Door: black, standard transmission, body and interior fair. 1961 Falcon 2-Door: red, standard transmission, body fair, interior poor. Both very restorable. \$1,000.00 for both or make individual offers. Norma K. Puryear, 1933 Schneider Rd. N.W., Canton, OH 44720 — 216/499-5751.

1963 Futura. Nothing spared in the restoration of this beautiful car. Over \$11,000 in receipts for the project including new interior, transmission, tires, suspension, chrome, etc. Rare automatic with bucket seats and console. A trophy winner at every show entered! Best offer near \$7,500.00. Mark Sain, P.O. Box 1629, Florence, AL 35630 — 205/766-0507.

To Advertise:

FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a difference section of the Classified Ads. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must appear with a member's name to be considered a free ad. All items advertised for sale must have a price for the ad to run. Ads to be run in more than one issue must be resubmitted each month.

Commercial ads will be accepted on a space available basis. All copy for commercial ads must be camera-ready. Commercial ad rates (per month) are: Full page — \$50.00; Half page — \$30.00; Quarter page — \$20.00; Quarter page photo ad — \$15.00 for members, \$25.00 for nonmembers.

All ads should be sent to the editor. Payment must accompany the ad, with the check or money order payable to the Falcon Club of America.

Ad must be received by the first of the month for the next month's issue.

The FCA reserves the right to refuse advertising from any person or business.

(Cars for Sale continued)
